

## Covid-19 Emergency Plan

Effective March 19<sup>th</sup>, 2020

As a matter of public safety to assist in curbing the spread of the Covid-19 Virus, effective Thursday, March 19th, Somervell County Senior Center will suspend congregate meals, group activities and classes until further notice. Our **MEALS ON WHEELS PROGRAM WILL NOT** be discontinued; however, the Center will be closed to the public.

For those who require congregate (in house) meals, while the dining room is closed, SCCOA will continue to offer meals for curbside pickup as a **CARRY OUT MEALS ONLY**, based on availability. Currently no funding is available for Curb Side Meals, therefore it is necessary we charge \$4.00 per meal until State or Federal funds become available. The Area Agency on Aging is waiting for word about funding during this national emergency.

If you need a meal, please call 254-897-2139 before 9:30. Meals will be waiting in the front of the building at 12 Noon Monday thru Friday. Please remain in your vehicle and we will give you your meal. Please bring exact change if possible.

Glen Rose is a community and now is the time we all need to work together. If you can afford an additional donation to help continue funding our necessary services, it will be greatly appreciated.

If you need additional help, please do not hesitate to call. We will do what we can within the strict guidelines set forth in this state of emergency. If we are unable to assist you, we will do our best to direct you to the service provider you need.
